Dear Sisters,

Peace and all good!

Day by day we are coming closer to our great event, in which we will lively experience our Franciscan Spirituality, in dialogue and sharing: the International Chapter of Mats.

According to the Registration Form, available in the site, for the cultural-recreation moment of each Province, we clarify:

- 1- Each Province may have 10 minutes for the presentation.
- 2- We suggest that the presentation touches the reality of your Province and/or the culture of your country. It's important to be presented in a recreative way.
- 3- We ask you to send a brief review or comment about the presentation by May 30 to the bellow address, to be translated into the Portuguese language.
- 4- Please, bring in your luggage, besides the flag of your Country, much joy and enthusiasm for our encounter.

Attention:

Please, keep following us through the site: www.scalifra.org.br/esteiras.html

In the spirit of St. Francis and Mother Magdalen, we already welcome each of you in our heart.
