REGISTRATION FORM

Dear provincial Sister
and sisters of

As we are trying to get organized for our Franciscan Event, the International Chapter of Mats, we want to ask you the kindness to complete the present Registration Form for the Cultural/recreative Moment that will take place in the afternoon of October 13.

Each Povince may have 10 minutes for her presentation.

Theme	Responsible	Address
-------	-------------	---------

Reminding:

01. For all the activities we need to have things translated into English and Portuguese.
02. Therefore we ask you to send a short comment of what will be presented by the province, **before August 30**. Please, use one of the e-mails below.

In great expectations for this event, we grow in our franciscan spirituality in Intercultural and inter-religious dialogue.
